

# UNSINKABLE EVENT

## BOOK & MOVIE CLUB DISCUSSION TOPICS

### Plot and Story:

- How did the movie portray the events leading up to the Titanic disaster? Were there any details or perspectives that surprised you or differed from your expectations?
- Discuss the pacing of the film. Did you feel that the narrative effectively built tension and maintained your interest throughout?
- How did you see faith play a role in the film? What was the song being played as the ship went down?

### Characters:

- Which characters did you find the most compelling, and why? Were there any characters whose motivations or actions you found particularly intriguing?
- In what ways did the characters' backgrounds and personalities influence their decisions and interactions? How did this contribute to the overall dynamics of the film?
- Were there any characters whose development surprised you or took unexpected turns? How did these developments impact your engagement with the story?

### Themes:

- Discuss the themes explored in the movie, such as class differences, human resilience, and the consequences of overconfidence. How were these themes effectively conveyed, and do you think they are relevant to contemporary society?
- How did the film address the concept of fate and destiny, given the historical context of the Titanic being deemed "unsinkable"?
- Explore the theme of sacrifice and selflessness portrayed by certain characters. How did these moments resonate with you, and what impact did they have on the overall narrative?

# UNSINKABLE EVENT

## BOOK & MOVIE CLUB DISCUSSION TOPICS (cont.)

### Historical Accuracy:

- In what ways did the movie stay true to historical facts surrounding the Titanic disaster? Were there any liberties taken for the sake of storytelling, and did you find these changes effective?
- Discuss the set design, costumes, and overall visual representation of the era. How did these elements contribute to the film's authenticity and immersive experience?
- Were there any historical details or aspects of the Titanic disaster that you wished the movie had explored in more depth?

### Emotional Impact:

- How did the film handle the emotional aspects of the story, such as loss, survival, and the human cost of the disaster? Were there moments that particularly resonated with you?
- Explore the use of music and cinematography in creating emotional depth. How did these elements enhance or detract from your viewing experience?
- Did the movie prompt any reflections on the fragility of life and the unforeseen consequences of human decisions? How did it leave you feeling after the credits rolled?
